<p>ART. No.</p>	
<p>300011047 (500ml)</p>	

PRODUCT DESCRIPTION

Effective and safe pH-neutral cleaner designed for removing dirt and grime from both interior and exterior vehicle surfaces. Efficiently removes dust, everyday dirt, and greasy deposits while remaining safe for fabric upholstery, plastics, rubber, painted surfaces, and exterior trim. Ready-to-use formula that requires no dilution.

- High cleaning performance
- pH-neutral formula
- Safe for delicate materials and surfaces
- Ready to use (RTU)
- Free from sodium hydroxide
- Readily biodegradable, biosurfactant-based formula

USAGE

How to use:

1. Spray directly onto the surface.
2. Work out with a brush, detailing brush or microfiber.
3. Rinse with water or wipe clean with a microfiber cloth.

Caution: Do not use on hot elements and do not allow to dry on the surface!

EXPIRY DATE

APC BALANCE 500 ml

- 24 months from production date

LIMITATION OF LIABILITY

The information contained in the TDS is up-to-date and correct on the day the information is released. Because TROTON can not control or predict the conditions under which a product will be used, each user should review information in the specific context of the intended usage. To the maximum extent permitted by applicable law, TROTON shall not be liable for damages of any kind arising from the use or reliance on information contained in this TDS.

Given the variety of factors that can affect the usage and application of the TROTON product, some of which are only within the user's knowledge and control range, it is essential that the user evaluate the TROTON product to determine if the product is fit for a particular purpose and whether the product is suitable for the user's usage.

Under no circumstances shall TROTON be liable to the user or any third party for any indirect, derivative, incidental, special or punitive damages, including loss of profits resulting from the use of products manufactured by TROTON and / or TROTON's services.

All information are based upon the precise laboratory studies and many years of experience. The good market position does not release us from the constant supervision of our products quality. However, we are not responsible for the final effects of the improper storage or application of our products, as well as for work inconsistent with the good craft practice.
