QUICK WAX SHINE & PROTECTION QUICK SPRAY WAX	
Art. No.	
17058 (500 ml)	
COLOUR: white	
DENSITY: 1 g/cm ³	

PRODUCT DESCRIPTION

BRAYT QUICK WAX SHINE & PROTECTION is a high-performance, premium-class hybrid wax that is fast and easy to apply. Its advanced formula, based on carefully selected natural and synthetic waxes, provides a mirror-like shine, enhances colour depth, and creates a durable hydrophobic protective layer that maintains its properties through multiple use cycles.

The product protects the paintwork against harmful environmental factors such as water, contaminants, and UV radiation, effectively preventing fading, degradation, and dulling of the surface.

Thanks to its neutral pH, it is safe for use on all types of surfaces - painted, glass, plastic, and rubber elements—without leaving streaks or residue on plastic components.

Key Benefits:

- ✓ Instant mirror-gloss effect
 - ✓ Enhanced colour depth and intensity
 - ✓ Durable protection with strong hydrophobic properties
 - ✓ Suitable for matte surfaces – provides protection without altering the matte finish
- Gloss level: 10/10
 - Application method: manual or mechanical (DA polisher)
 - Fragrance: pear
 - pH level: neutral

USAGE

- Suitable for all types of glossy painted surfaces, as well as matte finishes.
- Can be applied on plastics (glossy elements outside and inside), glass, rubber without leaving any traces.
- Compatible with BRAYT Premium polishing compounds.
- Can be used in any conditions (including direct sunlight), except during precipitation or at temperatures less than 0°C..
- The surface should be dry before application.
- **Manual application:** spray evenly onto the surface and gently spread the product; then buff with a clean microfiber cloth.
- **Machine application (DA polisher):** spray evenly onto the surface and gently spread at low speed using a finishing pad; increase speed and polish until perfect gloss will be obtained.

STORAGE

Store the product in tightly closed container at 0 - 45°C. Keep away from heat, fire and direct sunlight. Close the containers immediately after each use. Protect from frost. Keep away from children.

EXPIRY DATE

BRAYT QUICK WAX

18 months from production date

LIMITATION OF LIABILITY

The information contained in this TDS sheet is up-to-date and correct on the day the information is released.

Because TROTON cannot control or predict the conditions under which a product will be used, each user should review the information in the specific context of the intended usage. To the maximum extent permitted by applicable law, TROTON shall not be liable for damages of any kind arising from the use or reliance on information contained in this TDS.

Given the variety of factors that can affect the usage and application of the TROTON product, some of which are only within the user's knowledge and control range, it is essential that the user evaluate the TROTON product to determine if the product is fit for a particular purpose and whether the product is suitable for the user's usage.

Under no circumstances shall TROTON be liable to the user or any third party for any indirect, derivative, incidental, special or punitive

damages, including loss of profits resulting from the use of products manufactured by TROTON and / or TROTON's services.

All information is based on meticulous laboratory tests and many years of experience. An established position on the market does not release us from continuous quality control of our products.
