

## TECHNICAL INFORMATION

FOR PROFESSIONAL USE ONLY

<b>i2</b> FINISHING COMPOUND	
<b>Art. No.</b>	
16647 (500g)	
<b>COLOUR:</b> white <b>DENSITY:</b> 0,96 g/cm <sup>3</sup>	

### PRODUCT DESCRIPTION

i2 is a universal finishing compound for all types of paint, eliminating polishing defects and guaranteeing a perfect mirror-like gloss. The optimal ratio of solid content and suitable binder type helps maintain a clean workspace, while high-quality polishing minerals ensure a flawless, hologram-free shine. Residues of the product are easy to remove after the polishing process is completed.

- Cut Level: 2/10
- Gloss level: 10/10
- Processing: manual work, machine (rotary, orbital)

### USE

- Apply small amount of finishing compound on the surface to be treated.
- It is recommended to work with a rotary or orbital polisher and a soft polishing pad.
- Perform polishing on a small area.
- Spread the product at minimal speed across the entire area currently being polished, then gradually increase the speed to a maximum of 2000 RPM. Polish until all scratches have been removed.
- Polish until defects are removed, gradually reducing speed and pressure.
- After finishing the polishing process, remove any residue and wipe the surface with a microfiber cloth.

### STORAGE

Store the product in tightly closed container at 0 - 45°C. Keep away from heat, fire and direct sunlight. Close the containers immediately after each use. Protect from frost. Keep away from children.

### EXPIRY DATE

i2 finishing compound

24 months from production date

### LIMITATION OF LIABILITY

The information contained in this TDS sheet is up-to-date and correct on the day the information is released. Because TROTON cannot control or predict the conditions under which a product will be used, each user should review the information in the specific context of the intended usage. To the maximum extent permitted by applicable law, TROTON shall not be liable for damages of any kind arising from the use or reliance on information contained in this TDS.

Given the variety of factors that can affect the usage and application of the TROTON product, some of which are only within the user's knowledge and control range, it is essential that the user evaluate the TROTON product to determine if the product is fit for a particular purpose and whether the product is suitable for the user's usage.

Under no circumstances shall TROTON be liable to the user or any third party for any indirect, derivative, incidental, special or punitive damages, including loss of profits resulting from the use of products manufactured by TROTON and / or TROTON's services.
