

TECHNICAL DATA SHEET

FOR PROFESSIONAL USE ONLY

BASECOAT REDUCER	
PRODUCTS	
BASECOAT REDUCER	
PRODUCT DESCRIPTION	
Reducer for basecoat systems is a mixture of carefully chosen high quality organic solvents. The product is intended for the reduction of Troton basecoats and basecoat binders. It allows for the achievement of a product with strictly defined parameters, ensuring their proper application, fluidity and drying.	
Detailed mixing ratios can be found on the technical data sheet for each individual product.	
	
COLOR: transparent

BASECOAT REDUCER	14530; 14531 (1l; 5l)

LIMITATION OF LIABILITY
The information contained in the TDS is up-to-date and correct on the day the information is released. Because TROTON can not control or predict the conditions under which a product will be used, each user should review information in the specific context of the intended usage. To the maximum extent permitted by applicable law, TROTON shall not be liable for damages of any kind arising from the use or reliance on information contained in this TDS. Given the variety of factors that can affect the usage and application of the TROTON product, some of which are only within the user's knowledge and control range, it is essential that the user evaluate the TROTON product to determine if the product is fit for a particular purpose and whether the product is suitable for the user's usage. Under no circumstances shall TROTON be liable to the user or any third party for any indirect, derivative, incidental, special or punitive damages, including loss of profits resulting from the use of products manufactured by TROTON and / or TROTON's services. All information are based upon the precise laboratory studies and many years of experience. The good market position does not release us from the constant supervision of our products quality. However, we are not responsible for the final effects of the improper storage or application of our products, as well as for work inconsistent with the good craft practice. TROTON Sp. z o.o. Ząbrowo, Poland.
