FOR PROFESSIONAL USE ONLY

WAX & GREASE REMOVER	
PRODUCTS	
WAX & GREASE REMOVER	
PRODUCT DESCRIPTION	COLOUR: transparent
Wax & Grease Remover is a mixture of organic solvents that effectively cleans the surface from any impurities such as tar, grease, oil and silicone. etc. The use of a degreaser helps avoid defects in the refinishing process, such as fish eye.	

SURFACE PREPARATION	
The product is designed to clean and degrease various surfaces: • steel, • aluminum, • galvanized steel, • stainless steel, • old finishes in good condition, • plastics, • urethane primers, • polyester putties and body fillers.	Use: 1. The surface should be washed at least two times. 2. A clean piece of cloth should be used each time. 3. Before applying the coatings wait until the remover evaporates completely.

GENERAL NOTES	
Caution: <i>To maintain safety, always follow the instructions given in the MSDS of the products.</i>	
STORAGE	
Store the product between 15 to 25°C (59 to 77°F) in a sealed container, in dry and cool places, away from fire and heat sources, as well as direct sunlight.	
Note: <i>After each use the container with product should be immediately closed!</i>	
WARRANTY PERIOD	
WAX & GREASE REMOVER	- 24 months from the date of production

PRODUCT	ART. No.
WAX & GREASE REMOVER	300009944; 300009945(1l; 5l)

LIMITATION OF LIABILITY	
The information contained in the TDS is up-to-date and correct on the day the information is released. Because TROTON can not control or predict the conditions under which a product will be used, each user should review information in the specific context of the intended usage. To the maximum extent permitted by applicable law, TROTON shall not be liable for damages of any kind arising from the use or reliance on information contained in this TDS. Given the variety of factors that can affect the usage and application of the TROTON product, some of which are only within the user's knowledge and control range, it is essential that the user evaluate the TROTON product to determine if the product is fit for a particular purpose and whether the product is suitable for the user's usage. Under no circumstances shall TROTON be liable to the user or any third party for any indirect, derivative, incidental, special or punitive damages, including loss of profits resulting from the use of products manufactured by TROTON and / or TROTON's services. All information are based upon the precise laboratory studies and many years of experience. The good market position does not release us from the constant supervision of our products quality. However, we are not responsible for the final effects of the improper storage or application of our products, as well as for work inconsistent with the good craft practice. TROTON S. z o.o.
